

Master of Administrative Science Completion Requirements

- At least 21 credits must be completed at FDU.
- Students must achieve a grade point average of 2.75 for the current trimester and keep a cumulative grade point average of 2.75. Students who receive two or more C grades will be warned, and if evidence of definite improvement in their academic performance does not ensue, they will be put on academic probation or be asked to withdraw from graduate study.
- All direct entry students must take the Graduate Research Seminar, EPS 6299.
- All students must take the Capstone Course, MADS 6612 – Seminar on Strategic Management.
- Students must take 10 courses to complete the MAS chosen from a range of courses. Students may pursue a single area of study or design a program that will support their specific career-related goals.
- The curriculum areas and credit distribution requirements are designed to provide students with flexibility in planning a program of study within a competency-focused framework for professional development. Students must successfully complete 30 credits of graduate course work in the following categories.
 - Administrative Competencies (6 courses / 18 credits)
 - Analytics and Decision-Making Competencies (3 courses / 9 credits)
 - Capstone Seminar (last course/3 credits) MADS6612 – Seminar in Strategic Management
 - Completion of English for Professional Success (EPS) requirements

Up to 9 (nine) credits of graduate course work (no more than six credits in specialization area) may be transferred from another college or university if completed within the 5-year period. Courses submitted for transfer credit will be reviewed and evaluated by the Director of the MAS Program. In assessing requests for transfer credits, the faculty may require students to complete additional coursework to update their knowledge and skills to meet master's degree requirements.

Career Paths

The program is well suited for students interested in careers in government agencies, 'not-for-profit' organizations, or private industrial organizations. Work opportunities in organizations like Hospitals, Computer & Software, Government & Administration, Tourism & Hospitality, Retail, Manufacturing, Export, and Self Employment.
