If your high school is planning to offer more than 20 classes during the next academic year, please use the alternate version of Appendix D (for 21-40 courses). Each Appendix D form must list each course you would like to offer and include the teacher resume. If a current non-probationary teacher is already approved, additional resume copies are not required.

- The undersigned high school administrator affirms that the instructors nominated to instruct courses offered by the FDU Early College Program are presently employed in good standing by the school/school district.
- The undersigned high school administrator affirms that the high school/school district has verified the academic credentials of the instructional nominees and has conducted all legally mandated background checks.
- The undersigned high school administrator agrees to notify FDU of any changes to the employment status and/or standing of an instructional nominee and all currently approved instructors.

- In the event any teacher of record listed on the **approved Appendix D form** must be replaced for any reason (leave, retirement, etc.), the replacement teacher's resume and email must be submitted to EarlyCollege@fdu.edu for review/approval at least **30 days** prior to the start of the course. If a replacement must be made after the start of a course, the replacement teacher's resume and email must be submitted to Early College for review and approval prior to the original teacher's departure.
- The undersigned high school administrator acknowledges that instructional nominees who do not meet FDU's current Adjunct instructor criteria may be required to be mentored by a current full-time FDU faculty member for the course they plan to instruct.
