Quick Start Guide for Streeme+ IPTV

New for the 2025 academic year, all FDU residential students have access to Streeme+ IPTV streaming, the most powerful way to watch and record TV on campus. With Streeme IPTV residential students can watch live TV on any device and recently aired Movies, Shows, and Sports.

All residential students are automatically given access to the Streeme IPTV when they are given a housing assignment. This quick start guide will take you through the steps to begin your Streeme IPTV experience!

Before getting started, please make sure that your device is connected to the FDU Network either through Wi-Fi or an ethernet cable in your residence hall room as the Streeme+IPTV operates from the FDU SSO platform. If you are logging into Streeme+IPTV using a Smart TV or a TV with a Roku installed, please follow the steps in this <u>video</u> for additional information.

Rokus, firesticks, game console, etc. also need a non-pc device registration, to register a non-pc device registration please click <u>here</u> or <u>here</u> and then click on Non-PC Device Registration Form:

To view Streeme+ IPTV on your Apple smartphone and iPad, go to the Apple App Store and for Android devices, go to the Google Play Store and download the Streeme+ TV app:

Please note: To view Streeme TV on your smartphone or tablet, you will need to be connected to the FDU Network.

Once you have downloaded and opened the Streeme+ TV app on your smartphone or tablet, skip the next step that follows (how to login through a web browser) and follow the steps right after (Connect Your Provider)

To Login into Streeme IPTV: Go to: play.streeme.tv

Click on the "Connect your provider" button inside the Connect box

On the next page, click on "Fairleigh Dickinson University"

Streeme SSO × 💮

	Steeme Workspace	TEXAS ARM UNIVERSITY Texas AAM University	tourney of CINCINNATI University of Cincinnati			

Please be sure to click on Connect Your Provider rather than entering your login information on this page

You will then be brought to the FDU Single Sign-On page where you will enter your FDUNet ID and password and complete the Duo Authentication process.

Please keep in mind that your device will need to be connected to the FDU Network either through Wi-Fi access or through an ethernet cable in your residence hall room for the authentication process to be successful.

Once you have logged in, you will see the channel guide and from there you can select the program you want to watch.

To view the full channel guide, click on the "Live" button on the top of the Page.
